

2,300 PSI - 1.7 GPM ELECTRIC PRESSURE WASHER WITH POWEREASE MOTOR AND AR AXIAL PUMP

MODEL: BN2314EN

FEATURES

- **Compact electric pressure washer** designed for projects around the house such as cleaning driveways, patios, vehicles, siding and more.
- **Electric motor** is rated at 1.5 HP and has a total start system that automatically shuts off the pressure washer when the trigger is released to prolong the life of the pump.
- **Equipped with a GFCI plug** that greatly reduces the risk of electric shock.
- **Maintenance free axial pump** delivers excellent performance.
- **Includes spray wand, 15° & 25° high-pressure nozzles, rotary turbo nozzle, high pressure soap foam cannon and 25 foot hose.**
- **Compact frame** with integrated storage system for all the accessories including a built-in hose reel. Raised handle and 6" flat free tires make it easy to move around.
